DEDICATION

This book is dedicated to the children of After School Tahfiz, at Aspire Institute of Quranic Coaching, Singapore.

Since 2015, Aspire Institute of Quranic Coaching was blessed, and is still blessed to serve these fabulous children, our future, and their parents, everyday after their normal schooling hours.

For Ustaz Yazid and the team at Aspire Institute, these children give us the sense of Higher Purpose, the truest and sincerest meaning of life, to serve humanity, by serving the next generation.

This book is dedicated to them, the children, their parents, and all those who are so committed to learn to read, understand and apply Al-Quran in their life.

May Al-Quran be the light of our life.
