Life is A Test

The Tests of Life are to determine the level of our:

- 1) Gratefulness
- 2) Patience

Rasulullah ﷺ said:

"How amazing is the case of the believer. There is good for him in everything, and this characteristic is exclusively for him alone.

If he experiences something pleasant, he is thankful, and that is good for him;
And if he comes across some adversity, he is patient, and that is good for him."
[Muslim]

So Little Sahaabah, let's make Rasulullah ﷺ proud, and remember to always find something to be grateful for;
And when things don't go our way, let's be patient, and continue doing our best.
